

## YMCA of Honolulu | Youth and Government Hawai'i

### Sample Bill Review

| Sample Bill | Have they clearly addressed each of the core sections of a Bill? | Does their Bill appear to be within state control? | Is funding correctly detailed and clearly identified? | How might you improve its chances of success in the legislative process? |
|-------------|------------------------------------------------------------------|----------------------------------------------------|-------------------------------------------------------|--------------------------------------------------------------------------|
| A           |                                                                  |                                                    |                                                       |                                                                          |
| B           |                                                                  |                                                    |                                                       |                                                                          |
| C           |                                                                  |                                                    |                                                       |                                                                          |
