

TWDR Discussion

1. Think about your initial opinion on the topic.	
2. Write down your thoughts, including any solutions that you may think could address the issue.	
3. Discuss your thoughts as a group. However, this will only begin with everybody reading exactly what they have written.	
4. Reflect and add to your written statement after hearing everyone's point of view.

Personal Reflection Point

In the past, how do you think you approached disagreements? Was this always positive?

How would you like to approach discussions in the future?

What key skills do you think are crucial to positive discussion?
